

CareerJunction's Menu

With our flexible solutions, freedom is yours!

Advertise Jobs

We're SA's #1 Employment job portal as ranked by **Effective Measure**. CareerSeekers spend more time on our site than any other job portal in SA!

Your jobs are published on CareerJunction and automatically posted to over 29 partner network sites, at no extra cost.

Your jobs have the potential to be seen by over 1.7 million internet users as a result of partnering with key media and industry partner sites. Think Legal, Engineering, Finance and Mining to name but a few. Explore our full partner list here: www.careerjunction.co.za/content/network

Better exposure. More often.

Search Resumes

Agencies can search our exclusive database of over 850,000 completed Quality Resumes (corporate companies do not have access to this database). Over 14,000 new completed Resumes p/m and over 1,000 new registrations every day.

Our Resumes are content rich and presented in a professional, internationally recognised format.

Set-up email Resume alerts and let our innovative technology automate searches for you.

Finding it hard to conduct searches? Let us help you by calling our Helpline (+27 21 818 8607).

Better candidates. More often.

How to get Started

With the help of one of our consultants you can customise a recruitment solution that matches your exact needs and budget.

We have a team of friendly support guys and girls to help you every step of the way.

We can offer a thorough demonstration of the accuracy and relevance of our database plus include a 4 month agreement exit clause so you are not locked into any long contracts.

Ongoing training to CareerJunction's user form part of our commitment to make sure your business delivers results from the start.

Better support. More often.

DID YOU KNOW?

That South African CareerSeekers spend more time* on our site than any other recruitment/job portal in South Africa?

In January 2011, the 7th most popular search term on Google SA was "Career Junction"? [Read more here...](#)

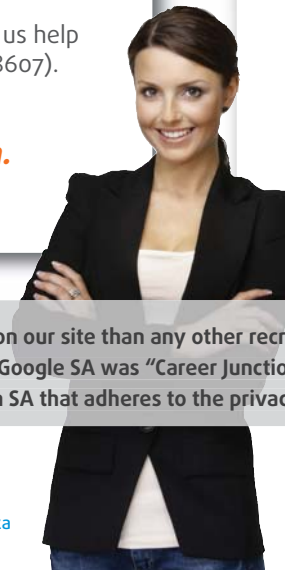

That CareerJunction is the only recruitment website in SA that adheres to the privacy policies of **TRUSTe** ensuring user privacy?
